

Questions for Teachers

Teachers who understand that their role is to build an ownership mindset with their students are able to explain how they decided the following information.

Regarding Curriculum:

- What will my students learn?
- Why are my students learning this?
- How will my students demonstrate they have learned it?
- How will I share these decisions with my students?

Regarding Instruction:

- How will my students learn this?
- How will this strategy help my students learn this?
- How will my students use this strategy in the future and in different situations?
- How will I share these decisions with my students?

Regarding Assessment:

- How will my students know they have learned this?
- How will my students know that they are progressing in their learning?
- What can my students do if they are struggling?
- How will I share these decisions with my students?

Regarding Climate:

- What is the student's role in the class?
- How will my students support others in their learning?
- How will my students take risks in their learning?
- How will I share these decisions with my students?
