

Questions to Guide Implementing the Actions of Instructional Leadership in Assessment

All support and learning is driven by regular assessment that guides decision-making.

Use these planning questions to focus your support.

Confirm the success criteria for the initiative.

- What are the success criteria of the initiative?

- How will the teachers know that they have implemented the initiative at a high level?

Establish a method for monitoring the implementation of the initiative.

- How will the teachers receive feedback regarding the progress of the implementation of the initiative?

- When will teachers receive feedback regarding the progress of the implementation of the initiative?

Establish a method for continued support of implementation.

- How will the teachers identify when they are succeeding and when they are struggling?

- What supports will the teachers receive if they are struggling?

- How will the teachers have a say in determining their needs?

Share this information with the staff.

- How will this information be shared in as many distinct ways as possible?
